

Reduce, Reuse, Recycle & Compost!

PRESS RELEASE

Milk Jug Recycling - October 1, 2019

WHAT: Plastic Milk Jugs ONLY will be able to be recycled at the Pendleton Sanitary Service Transfer Station recycling depot beginning October 1, 2019. NO OTHER PLASTICS PLEASE!

MORE INFORMATION:

Please continue to recycle whenever and whatever is possible. Recycling is still the right thing to do – it saves energy, natural resources, and helps our environment, but be very careful about contamination. If an item is questionable for recycling - “When in doubt, throw it out” is the best policy. For complete recycling information, please visit our website at www.pendletonsanitaryservice.com or call our office at (541) 276-1271.

Pendleton Sanitary Service, Inc. is committed to offering a sustainable recycling collection program. Milk jug recycling is one step forward in Reduce, Reuse, Recycle & Compost.
